## CAVALRY WINS FOURTH GAME

The Fort Shafter team lost their game yesterday by a close score to the 5th Cavalry at Leilehua. They made a good fight for it but the best they could do was to make 3 runs to their opponent's 5.

	P.	W.	Pet.
N. G. H.	3	3	1,000
Marines	3	2	.666

## SATURDAY POLO AT MOANALUA

A meeting of the Polo Club was held last evening at the Pacific Club, and with a large number of sportsmen present, a great deal of interest was aroused. It was decided that the first practice game would be held next Saturday afternoon at the famous Moanalua field, beginning at four o'clock in the afternoon. Members of the club will be on hand with frisky ponies, and will choose up sides in the good old-fashioned way for a game. Men from the Cavalry post at Leilehua are joining in the general enthusiasm and the coming season promises to be a record-breaker for this sport in the Islands. The practice game Saturday afternoon will be full of interest, as it will show what sort of a bunch Honolulu can count on putting forth for the later big matches.

## Sport Notes

Riverside League meeting tonight at 7 o'clock in Senator Chillingworth's office. Everybody please turn up.

The regular monthly meeting of the C. A. C. will be held at the Chinese Y. M. C. A. tomorrow evening at 7:30. All members are requested to be present, as there is important business to come up.

C. Du Roi has been elected captain of the B. F. Ehlers team. Mr. Du Roi is an enthusiastic baseball player and is as smart a second baseman as one could want to see. His team will play the Wall, Nichols team next Sunday and expects to put a kink in the latter's string of victories. The game will be at Aala Park at 9 o'clock.

## RAIN STOPS THE GAME IN FIFTH

A fast and exciting game was stopped by the rain yesterday afternoon at Alexander field. At the end of the fifth inning the High School and Saints both had two runs to their credit and it looked like a hard tussle for the victory.

Then somebody, connected with the waterworks department, got funny and turned on the showerbath tap. Doc Monsarrat was asked to reach up and turn the water off but he stated that the last time he good-naturedly did this at a ball game, he got his fingers burned by getting them too near the lighting department and so courteously refused to make the attempt again.

The Punahou boys were out to root for the Saints because a victory for the latter meant that the High School players would come back a notch and not tie with Oahu College for first place.

The first two innings showed both Pedro and Eliza Andrews in excellent form. The batters went out in jig time and the Saints were also disposed of quite easily in the first of the third.

Then the McKinley youngsters became busy. Kaulukou reached third with a bingle and a sacrifice. Then Bill Rice died but Henry Chillingworth was safe on an unfortunate error by Fred Markham at third base which also scored Kaulukou. Henry Chillingworth then stole second and Franco blagied to centerfield. The fielder naturally sent to the plate, but he was too late and Henry romped while Franco reached second.

There was nothing doing in the fourth but the Saints tied the score in the fifth. Ichi went to second on Henry's poor throw to first and Fred Markham singled him to third and stole second. Then both Aiona and Asam hit to first base. White fielded in both cases and sent to the plate but had no time in which to touch the bag first. In both cases the catcher failed to put the runners out at the plate so that both Aiona and Asam were safe while Ichi and Fred Markham scored.

The High School was disposed of in the second half of the inning and then the rain began to pour. A general rush was made for the slight shelter of the trees and the few umbrellas did their best to each shelter about twenty fans who huddled behind them. The rain showed no signs of letting up so the game was called off and will be replayed next week.

Dick Reuter is still on the bench.

Finally decided to have the Nelson-Dick Hyland forty-five-round go in San Francisco on May 29.

## How Much of a Man Are You?

Nature intended you to be physically perfect. If there are any defects in your makeup then you are only a piece of a man. It's up to you to remove the effects of dissipation and early indiscretions. Better do it before you are totally debilitated.

If you suffer from weakness of any kind, drains, lost strength, nervous debility, or any trouble that saps your vitality, you ought to read my big, free book, which tells how men become strong and vigorous after a few applications of Electro-Vigor.

This book is written in plain language and beautifully illustrated with pictures of well built, robust men and women. It tells what other men have suffered and how they have been cured.

Don't waste your money on drugs, which only stimulate. Electricity is nature's remedy for men like you. Electro-Vigor is the best way of applying it.

Don't wait another minute. Cut out this coupon right now and mail it to me. I'll send the book, completely sealed, absolutely free.

## AMUSEMENTS

"From Farm to Factory," a Pretty Comedy Drama.

The reason of the pleasing qualities of "From Farm to Factory," the bill presented by the Elleford company at the Orpheum last night, is easily explained. It gets at the heart of things at once. There are no murders, no sudden deaths, nothing but a pretty story of a plain family with their little struggles, their little love affairs, their little joys, and their everyday happenings, things that look small to us but when we are brought face to face with them we see the pathos and the comedy of things. The story deals with a brother's love for his persecuted sister, and there is nothing in this world more touching except the love for the mother. Pietro Sosso has a quaint comedy character part in Tobie Hoxie, the uncouth farm lad who later works out his salvation in his own quiet way. It is one of the best parts that Mr. Sosso has had during the engagement and the audience were delighted with his rendition of the part. Auda Due was the Sister Mary Mason, the little country wife who has been deceived by a clever scoundrel, and who is championed by her loving brother after the drunken father goes against her. She was strong in her emotional scenes and intense in the more quiet moments. The author could not wish for a little woman who would make more of Mary. Ray Collins contributed lots of laughs as country bumpkin and George Hernandez as Deacon Burnham, called to mind several characters of the town and some one would say, "Isn't that just like So and So?" Of course he made a hit, as he is always good in characters. The scene in the Iron Works was very realistic. Every member of the cast was at his best and the performance went with a dash that pleased everybody in the audience. It is the bill for tonight and tomorrow and Saturday the offering is "Shadows of New York," a pastoral drama with just a touch of the melodramatic. It is a pleasing story with a lot of comedy. The bill for the Saturday matinee is "The American Girl," with the Osborn children as "Prince Roy" and "The Little Lady." After the performance the Osborns will hold a reception and meet all of their little friends on the stage. The prices for matinee are ten and twenty-five cents.

Mrs. Ingalls Will Study.

Mrs. Ingalls, who will give a farewell recital tonight, has had rare advantages of study with such masters of the violin as Jacobsohn, Bernhard Listemann and Hugo Heermann, the latter showing her especial kindnesses such as are given to few, even of the most earnest students. Mrs. Ingalls has planned a period of very serious study with the greatest artists to be found in Paris and Berlin. She will combine work with pleasure during the summer, when she is to be at the beautiful old chateau de Rosa Bonheur as a guest of Miss Anna Klumpke, the noted artist. Rosa Bonheur left Miss Klumpke her entire fortune, chateau, studio, and even stipulated in her will that Miss Klumpke should be buried in the tomb beside her at her death, thus showing great devotion to her favorite pupil. Mrs. Ingalls will attend the Wagner Festival at Munich, and from there go on to Berlin in September, where she will rely somewhat upon the judgment of Arthur Abell, the veteran critic (who has shown a very kindly interest in the work of Mrs. Ingalls), as to the selection of a teacher there.

Mrs. Ingalls has resigned her position at Oahu College and will be succeeded there by her best pupil, Mrs. Ernest Ross, and expects to be away at least a year and a half. The recital this evening will be at the home of Governor and Mrs. Frear and will begin at 8:15. Tickets may be had at Gurry's.

There will be a public band concert this evening at 7:30 at the Alexander Young Hotel roof garden.

The Park Theater.

There will be an entire change of program at the Park Theater this evening, Harry Werner having sent down a number of the best films on the market. These will be shown at the popular outdoor amusement place the rest of this week. There will also be things doing at the Park next week, as Harry undoubtedly has sent down a number of good, up-to-date, pictures to last for some time.
